I-91 Road Work

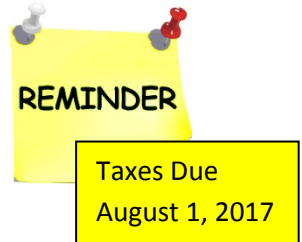

The State Department of Transportation is planning to begin milling and paving on I-91 Northbound and Southbound from Rt. 3 southerly for 4 miles in Wethersfield and Rocky Hill. Work will begin in Wethersfield on the southbound side near Rt. 3, Sunday, July 23, 2017 at 8:00 pm.

Hours: Sundays 8:00 pm – 5:00 am; Monday - Saturday 7:00 pm – 5:00 am

The project is expected to run from July 23, 2017 – September 15, 2017.

Important Tax Information

Real Estate and Personal Property tax bills were mailed June 27, 2017. Your bill is due on or before August 1, 2017 in the amount as noted in "payment due". Your second installment may be adjusted after the State completes their budgetary process. A second bill will be mailed to inform you as to what your second installment payment will be at a later date.

Motor Vehicle Tax Bill On Hold

Due to issues with the State of Connecticut not determining a mill rate for motor vehicles, motor vehicle tax bills are not being mailed at this time. They will be mailed later in the year, once the State has determined a mill rate for motor vehicles. If you have questions, please contact the Tax Collector at (860) 721-2825.

Cottone Field Turf Replacement to Begin

Turf replacement began the week of July 10, 2017.

E. PROJECT UPDATES:

ENGINEERING

- **Cloverdale Pond Improvements:** Schumack Engineered Construction from Clinton, CT has begun installation of erosion controls and tree and brush removals required for the project, which is expected to take approximately two months to complete.
- **Fuel Tank Replacement at Physical Services Facility:** Connecticut Tank Removal, Inc. from Bridgeport, CT has begun site preparation for installation a new 12,000 gallon above-ground fuel storage tank and fuel dispensers at the Physical Services Facility.
- **Cottone Field Turf Replacement:** Spinturf, LLC from Mount Pleasant, SC has completed removal of the existing turf and is processing with installation of fence post foundations and preparing the base material for installation of the new turf surface at the High School field. Construction is being administered by Kaestle Boos Associates who is the Town's consultant for the project with assistance from staff. At this time, the project is expected to be complete in mid-August.
- **CTDOT Community Connectivity Program:** CTDOT is soliciting applications from municipalities for funding to complete improvements that improve pedestrian and bicycle safety and connectivity to community centers. Engineering Division staff is working with the Planning Department to develop plans and cost estimates for minor improvements in various locations that will be included in the application due on August 1st.
- **CTDOT Pedestrian Signage and Pavement Marking Program:** The Town has submitted an application for state funds to install new signage and pavement markings at various locations to improve pedestrian safety along local roads at no cost to the Town. Applications are currently under review.
- **Middletown Ave Safety Improvements:** The town has submitted an application to CROCOG for construction funding to complete this project through the CTDOT 2017 Local Road Accident Reduction program. The project area is located at the south end of Middletown Ave near the Rocky Hill town line and requires safety improvements such as reconstruction of the eastern embankment, drainage improvements and installation of new guard rail. Applications are currently under review.
- **MDC Goff Brook Overflow Closure Project:** Baltazar Contractors Inc. from Ludlow, MA has commenced with preparation of work areas and tree clearing on private property along the project route that extends from the Water Pollution Control Facility in Rocky Hill along Middletown Ave, Mill Street, Maple Street and Hewitt Street. Road closures, detour routes and alternating traffic controls will be implemented for various phases of the work.
